

INCA ENTERPRISE

Professional Property Care Services in Yellowknife

Reliable service. Professional results.

From winter snow management to seasonal landscaping and dependable cleaning, Inca Enterprise helps keep Yellowknife properties safe, clean, accessible, and looking their best.

OUR SERVICES

Snow Removal	Professional snow removal for driveways, walkways, parking areas, and commercial properties. We help maintain safer, clearer access throughout the Yellowknife winter.
Landscaping	Dependable landscaping solutions designed to keep residential and commercial outdoor spaces neat, functional, and attractive through the warmer seasons.
Cleaning	Reliable cleaning services for properties that need a fresh, orderly, and well-maintained appearance. Professional care with attention to detail and customer needs.

WHY CHOOSE INCA ENTERPRISE?

- Professional and dependable service
- Serving residential and commercial properties
- Focused on safety, cleanliness, and presentation
- Local service for Yellowknife property needs
